Stephenson announces 2nd Gen. RLV Program Office

Center Director Art Stephenson on Friday announced creation of a Second Generation Reusable Launch Vehicle Program Office. Dennis Smith has been named manager, and Dan Dumbacher will be deputy manager. The office — which will be similar to the Space Shuttle Projects Office — will report directly to Stephenson.

Wednesday at
Von Braun Center**

Space Station Mockup no longer on bus tour

The Space Station Mockup in Bldg. 4625 has been discontinued as a bus tour stop. The building will be used to store solid rocket booster hardware. A new location for the mockup is being sought. Mission Operations is an alternate tour stop. Call Brenda Wade at 544-9062 for scheduling information.

Information Assurance Conference, Expo set June 6-7

The Marshall Center is teaming with the U.S. Army Aviation and Missile Command and the Ballistic Missile Defense Organization to sponsor an Information Assurance Conference and Exposition June 6-7 at the Bob Jones Auditorium in Bldg. 5304. Admission is free. To register, visit the Web at: www.TechnologyForums.com
